STATE OF NEBRASKA,)	MEMORANDUM AND ORDER

This matter is before the court on preliminary review of Petitioner Justin Gardner's Petition for Writ of Habeas Corpus (Filing No. 1) brought pursuant to 28 U.S.C. § 2254. The purpose of this review is to determine whether Petitioner's claims, when liberally construed, are potentially cognizable in federal court. Condensed and summarized for clarity, Petitioner's claims are:

CLAIM ONE: Regarding *State v. Gardner*, CR18-289 in the District Court of Lancaster County, Nebraska, *only*, (a) any statements taken from Gardner by state actors, whether on November 17, 2018, or otherwise, were involuntary within the meaning of the Fifth Amendment and therefore were improperly used to convict Gardner; and (b) to the extent that legal documents held by Gardner were seized from him on November 17, 2017, and subsequently used in evidence against Gardner, such use violated the Fourth and Fifth Amendments.¹

¹ All assertions contained within the petition for writ of habeas corpus related to CR15-694, CR15-2366 and CR16-3314 in the District Court of Douglas County, Nebraska, are dismissed with prejudice to the extent that Gardner challenges in this petition any adverse action taken against Gardner in any of those matters. Either those claims have been previously resolved in this court, *see, e.g.*, 8:18CV557 & 8:18CV46, or they duplicate the allegations set forth in a separate pending case that will be resolved in due course. *See* 8:18CV241. I note that Gardner appears as a petitioner in seven cases in this court and as a plaintiff in two cases.

The court determines that these claims, when liberally construed, are potentially cognizable in federal court. However, the court cautions Petitioner that no determination has been made regarding the merits of these claims or any defenses to them or whether there are procedural bars that will prevent Petitioner from obtaining the relief sought.

IT IS THEREFORE ORDERED that:

1. Upon initial review of the habeas corpus petition (Filing No. 1), the court preliminarily determines that Petitioner's claims, as they are set forth in this Memorandum and Order, are potentially cognizable in federal court.

2. By **April 1, 2019**, Respondent must file a motion for summary judgment or state court records in support of an answer. The clerk of the court is directed to set a pro se case management deadline in this case using the following text: **April 1, 2019:** deadline for Respondent to file state court records in support of answer or motion for summary judgment.

3. If Respondent elects to file a motion for summary judgment, the following procedures must be followed by Respondent and Petitioner:

- A. The motion for summary judgment must be accompanied by a separate brief, submitted at the time the motion is filed.
- B. The motion for summary judgment must be supported by any state court records that are necessary to support the motion. Those records must be contained in a separate filing entitled: "Designation of State Court Records in Support of Motion for Summary Judgment."
- C. Copies of the motion for summary judgment, the designation, including state court records, and Respondent's brief must be served on Petitioner *except* that Respondent is only required to provide Petitioner with a copy of the specific pages of the record that are

cited in Respondent's motion and brief. In the event that the designation of state court records is deemed insufficient by Petitioner or Petitioner needs additional records from the designation, Petitioner may file a motion with the court requesting additional documents. Such motion must set forth the documents requested and the reasons the documents are relevant to the cognizable claims.

- D. No later than 30 days following the filing of the motion for summary judgment, Petitioner must file and serve a brief in opposition to the motion for summary judgment. Petitioner may not submit other documents unless directed to do so by the court.
- E. No later than 30 days after Petitioner's brief is filed, Respondent must file and serve a reply brief. In the event that Respondent elects not to file a reply brief, he should inform the court by filing a notice stating that he will not file a reply brief and that the motion is therefore fully submitted for decision.
- F. If the motion for summary judgment is denied, Respondent must file an answer, a designation and a brief that complies with terms of this order. (*See* the following paragraph.) The documents must be filed no later than 30 days after the denial of the motion for summary judgment. **Respondent is warned that failure to file an answer, a designation and a brief in a timely fashion may result in the imposition of sanctions, including Petitioner's release.**

4. If Respondent elects to file an answer, the following procedures must be followed by Respondent and Petitioner:

- A. By **April 1, 2019**, Respondent must file all state court records that are relevant to the cognizable claims. *See, e.g.*, Rule 5(c)-(d) of the

Rules Governing Section 2254 Cases in the United States District Courts. Those records must be contained in a separate filing entitled: “Designation of State Court Records in Support of Answer.”

- B. No later than 30 days after the relevant state court records are filed, Respondent must file an answer. The answer must be accompanied by a separate brief, submitted at the time the answer is filed. Both the answer and the brief must address all matters germane to the case including, but not limited to, the merits of Petitioner’s allegations that have survived initial review, and whether any claim is barred by a failure to exhaust state remedies, a procedural bar, non-retroactivity, a statute of limitations, or because the petition is an unauthorized second or successive petition. *See, e.g., Rules 5(b) and 9 of the Rules Governing Section 2254 Cases in the United States District Courts.*
- C. Copies of the answer, the designation, and Respondent’s brief must be served on Petitioner at the time they are filed with the court *except* that Respondent is only required to provide Petitioner with a copy of the specific pages of the designated record that are cited in Respondent’s answer and brief. In the event that the designation of state court records is deemed insufficient by Petitioner or Petitioner needs additional records from the designation, Petitioner may file a motion with the court requesting additional documents. Such motion must set forth the documents requested and the reasons the documents are relevant to the cognizable claims.
- D. No later than 30 days after Respondent’s brief is filed, Petitioner must file and serve a brief in response. Petitioner must not submit any other documents unless directed to do so by the court.

- E. No later than 30 days after Petitioner's brief is filed, Respondent must file and serve a reply brief. In the event that Respondent elects not to file a reply brief, he should inform the court by filing a notice stating that he will not file a reply brief and that the merits of the petition are therefore fully submitted for decision.
- F. The clerk of the court is directed to set a pro se case management deadline in this case using the following text: **April 29, 2019**: check for Respondent's answer and separate brief.

5. No discovery shall be undertaken without leave of the court. *See* Rule 6 of the *Rules Governing Section 2254 Cases in the United States District Courts*.

DATED this 13th day of February, 2019.
